CHICAGOPEX 2019

November 22-24

Itasca, Illinois

Literature Exhibit Evaluation Form

Entry Philatelic webmasters organization website (PWO) Entry No. D-04
 For the Jury _____ Award Large Vermeil 0
 Email pawmaw14@verizon.net Chief Literature Judge P. B. Walters
 Primary Contact/First Responder Reviewed

Treatment (of contents) or "Authorship and Editorship"

HOW WELL YOU SAID IT.

40 Possible

Literary style, clarity and skill in communication. Correct grammar. Readily understood and usable. Use of illustrations, charts, graphs, tables. Format and layout, text flow. Use of digital features. Searchability, ease of navigation, logic of flow. *Articles & columns*: Suitable length for thorough coverage as expected in one frame. *Catalogs*: Organization, format and layout, text flow, clarity. Readily understood and usable. Use of illustrations.

Interesting introduction — (Reasons, goals etc.) However pages are out of date
 2002-2004, some for other collaborative pages. Pages like Title appear
 dull in appearance — need to refresh/update (re. text mainly).
 Could add to information forum.

Originality, Significance and Research

WHAT YOU HAD TO SAY.

40 Possible

Overall subject significance: Scope, degree of difficulty and philatelic interest. Significance of the work to the subject. Discoveries, research, analysis or approaches to a comprehensive subject understanding. Lasting value. *Society journals and periodicals*: Diversity of content, allocation of space to substantive, informative articles, columns and features, and overall value to membership. Emails of editor, officers and authors. Website support. *Catalogs (including auctions)*: Lasting value as a guide, reference and tool for a user. Completeness of listings, value as a pricing guide, general and specialized information provided. Substantive change over prior works.

One bad link — REC collecting stamps — no link out of date
 Some references — have links no longer available You
 need to maintain/check all of these
 Couldn't find some articles mentioned on synopsis

(35)

Technical Matters

HOW EASY IT IS TO USE.

15 Possible

Title page and imprint, pagination, credits, bibliography, index, clarity of illustrations. *Digital*: Ease of loading, navigability, compatibility, clarity of images, links, contents page, index.

Title page and links need rework
 Some site probably need to be revisited (take off sites
 and place in new location)

(12)

Production

HOW WELL IT IS MADE.

5 Possible

Binding, typography, website graphics and similar production aspects on the usability of the publication.
